**MPM HOLDINGS INC.
AUDIT COMMITTEE CHARTER**

Purpose

The primary function of the Committee is to assist the Board of Directors (the “Board”) of MPM Holdings Inc. in fulfilling its oversight responsibilities for MPM Holdings Inc. and its subsidiaries (the “Company”) by overseeing and monitoring:

- a) the accounting, financial, and external reporting policies and practices of the Company;
- b) the integrity of the Company's financial statements;
- c) the independence, qualifications and performance of the Company's independent auditor;
- d) the performance of the Company's internal audit function;
- e) the operational policies and practices that affect internal control;
- f) the Company's compliance with legal and regulatory requirements and its standards of business conduct and ethics; and
- g) to the extent applicable, as determined by the Company's registrant status with the SEC, the preparation of the report of the Committee required to be included in the Company's annual Proxy Statement under the rules of the SEC.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate, or are in accordance with generally accepted accounting principles (“GAAP”). The primary responsibility to plan and conduct audits is that of the Company's independent accountants.

In discharging its duties under this Charter, the Committee shall have the authority, to the extent it deems necessary, to retain and compensate independent legal, accounting, or other advisors. The Company shall provide appropriate funding, as determined by the Committee, for payment of compensation to the independent accountants for the purpose of rendering or issuing an audit report and to any other advisors employed by the Committee, and payment of ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties. Any accounting, legal or other consultant retained by the Committee may, but need not, be, in the case of an outside accountant, the same accounting firm employed by the Company for the purpose of rendering or issuing an audit report on the Company's annual financial statements (to the extent consistent with applicable law), or in the case of an outside legal or other advisor, otherwise engaged by the Company for any other purpose.

Membership

The Audit Committee shall consist of at least three Board members. To the extent applicable as determined by the Company's position as a private or publicly held entity, its registrant status with the SEC or other regulatory body, or its listing status on any securities exchange, the membership of the Committee shall satisfy any and all applicable independence and experience requirements. Committee members will be appointed, and may be removed, by the Board in accordance with the By-Laws of the Company, as amended. Committee members shall serve for such term or terms as the Board may determine. The Board may appoint a Chairperson of the Committee. The Committee shall have the authority to delegate any of its responsibilities to

subcommittees as the Committee may deem appropriate, provided the subcommittees are composed entirely of directors satisfying the foregoing independence standards (to the extent applicable), but no subcommittee will have any final decision-making authority on behalf of the Board or the Committee. Each member of the Committee shall be financially literate, as such qualification is interpreted by the Board in its business judgment (and satisfying any applicable rules or regulations of a securities exchange), or must become financially literate within a reasonable period of time after appointment to the Committee. The Board may designate a Chairperson.

The Committee will determine whether one member of the Committee qualifies as an “audit committee financial expert” as such term is defined in Item 401(h)(2) of Regulation S-K of the Securities and Exchange Commission. The Company will disclose in the periodic reports required by its current debt agreements or Section 13(a) of the Securities Exchange Act of 1934 (the “1934 Act”), in each case, if applicable, whether or not it has at least one member who is an audit committee financial expert, and if so, whether such audit committee financial expert is “independent” (as such term is defined in Item 7(d)(3)(iv) of Schedule 14A under the 1934 Act). In any event, the Committee shall include at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background that results in the individual’s financial sophistication, such as being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

Meetings

The Committee shall meet at least quarterly. Other meetings of the Committee will be with such frequency, and at such times, as its Chairperson, or a majority of the Committee, determines to be necessary or appropriate to carry out its duties hereunder. Special meetings of the Committee may be called by the Chairperson or upon the request of any two Committee members. The agenda of each meeting will be prepared by the Chairperson and circulated, if practicable, to each member reasonable in advance of the meeting date. Unless the Committee or the Board adopts other procedures, the provisions of the Company’s By-Laws, as amended, applicable to meetings of Board committees (or if no such provisions exist, the provisions thereof applicable to meetings of the Board) will govern meetings of the Committee. The Audit Committee may request any officer or employee of the Company or the Company’s outside counsel or independent auditor to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee. Minutes of each meeting will be kept with the regular corporate records.

Responsibilities

The Committee’s duties and responsibilities shall include the matters enumerated below, as well as such other matters as may be delegated to the Committee by the Board from time to time. In discharging its responsibilities, the Committee will act in reliance on management, the Committee’s independent auditors, internal auditors, and other advisors and experts, as the Committee deems necessary or appropriate. The Committee has the power, in its discretion, to conduct any investigation it deems necessary or appropriate to enable it to carry out its duties (provided, that, with respect to the Second Amended and Restated Shared Services Agreement dated as of October 24, 2014 (the “SSA”), by and among Momentive Specialty Chemicals Inc., Momentive Performance Materials Inc. and other parties thereto, the processes and procedures provided for thereunder, including, without limitation, with respect to governance and/or the

Audit Firm (as defined in the SSA), and under the provisions of Section 6.03 of the Company's Amended and Restated Certificate of Incorporation filed on October 24, 2014 with the Office of the Secretary of State of the State of Delaware, are each acknowledged as binding on the Company and the Committee and not subject to any investigation as to the applicability or appropriateness thereof). The Committee shall have unrestricted access to the Company's independent public accountants, internal auditors, internal and outside counsel, and anyone else in the Company, and may require any officer or employee of the Company or representative of the Company's outside counsel or independent public accountants to attend any meeting of the Committee or to meet with any members of, or consultants or advisors to, the Committee.
